

We're Unified® to provide the right screening media for every application.

With more than 16 locations across the country, Unified has the screens, wear parts and expertise to meet local needs – fast.

FLOWMAX

polyurethane modular screening systems.

FLOWMAX can last 15 times longer than wire cloth, reduces plugging and blinding and is easy to install.

Available in a variety of materials and durometers for your unique materials / applications.

FLOWMAX is an extremely adaptable system, offering either a removable or permanent flat-deck solution. The FLOWMAX patented, universal fastening method provides a stronger locking area. Fewer changeouts keep production moving and will save you money.

We're Unified For You!
