Leading Screening And Crushing Companies Unite To Bring Unique Advantages To The Marketplace

Eagan, Minnesota & Visalia, California - March 14, 2005. Today, Unified Screening & Crushing became the uniting force behind a long standing group of screening, sizing and crushing media manufacturers located across the United States. Each member company brings unique benefits, strategic inventory locations, exceptional quality and competitive prices to the marketplace. This powerful relationship is poised to take customer service to the next level.

“Our tagline, **Uniting the Benefits - Delivering the Quality**, aptly describes the mission behind our member companies banding together,” emphasized Tom Lentsch, CEO of Unified Screening & Crushing. “While the purpose of Unified Screening & Crushing is to bring together all the resources of the member companies, each individual company will remain intact. The real benefits are found in our services to our customers. As they continue to do business with their current suppliers, who are now united, they will enjoy access to an extensive knowledge and material base to meet all their screening and crushing media needs for both standard and unique applications - no matter where they are geographically located.”

The Unified Screening and Crushing member companies include:

Twin City Wire - Eagan, MN

Wisconsin Wire Cloth - New Richmond, WI

Ohio Wire Cloth - Englewood, OH

Carolina Wire & Castings - Asheboro, NC

Michigan Wire Cloth - St. Johns, MI

Polythane - Bedford, VA

Wasatch Wire - Salt Lake City, UT

California Wire Cloth - Visalia, CA

Diamondback Castings - Gilbert, AZ

Texas Wire - San Antonio, TX

Razorback Screen Services - Benton, AR

Colorado Wire Cloth - Platteville, CO

California Wire - Las Vegas, NV

In addition to the 13 member companies, we also have the extended support of other business partnerships and over 20 distributors across the western hemisphere. Some of the major distributors include:

Milroy & Co.

Compass Wire Cloth

Size Enterprises

Central Service & Supply

Rung Industries

American Screen & Crusher

“These relationships place us in a distinctive position to provide unsurpassed service to our customers,” stated Bob Kleason, Director of Marketing and Sales. “Besides supplying the largest variety of woven wire cloth, urethane and rubber screening products, and also having the largest inventory of manganese castings, we are able to offer 24 hour service across the country. We can also ship product from any Unified Screening & Crushing location to anywhere in the United States. Our ISO 9001:2000 certification ensures quality to meet the most demanding requirements.”

Extensive locations across the country benefit customers through prompt delivery and technical support. Local expertise enables customers to solve unique challenges specific to their locations. Unified Screening & Crushing managers have over 500 years of industry experience available to assist customers. This shared knowledge base is composed of people who have managed quarries and plants across the United States.
